General Comments

On the day of my visit the program was functioning very well. The morning preschool was very well managed, the Educators are very kind, energetic and engaged with the children. The circle was interactive and the Educator reading the story did an excellent job dramatizing events. The swimming has been increased to twice a week and they are able to have gym time everyday. The programming does need a few more seasonal toys for outdoors and some specific resources to follow the children's interests in the classroom.

The Educators are pro-active and the programming is very active. The Afterschool programs were calm and the atmosphere was peaceful and cooperative.
