General Comments
<p>On the day of my visit the children were indoors because of the rain. They were enjoying activities in their classrooms. The Children's Room was engaged in imaginative play with boxes and Art supplies and the Epsilon room was making Art with spray bottles. Both Educators are enthusiastic and have excellent rapport with the children.</p> <p>The Fire Drills are done and all staff information is up to date. The First Aid kits will need to be reviewed before the summer camps begin.</p> <p>There are new materials evident and this is adding to the programming in a positive way.</p>
