Comments: Deficiency is now compliant			

<p>General Comments</p> <p>Bug spray and Febreze spray on a shelf, Items must be locked.</p> <p>During the monitoring inspection television viewing was occurring in both the preschool and school age rooms. While the use of televisions is not recommended, if they are used the following is to be applied:</p> <ul style="list-style-type: none"> • television viewing is limited and is not used daily; • they are not used to fill gaps in the day; • the programs or movies support curriculum, programming and investigating children's areas of interest for example, children want to search out information on a specific area of interest; • programs or movies are developmentally appropriate; • viewing the program or movie is one of several choices of activities for the children; • with preschool children, staff members watch with the children, extend their understanding and promote discussion on the program or movie;
--

General Comments

- for school-age children, staff members ensure that children are supervised while watching television;
- if possible, televisions are not stored in rooms.
