<p>General Comments</p> <p>Monitoring inspection conducted. Ratio was respected. The Quality Assurance Monitor verified: -Child records include -Signed statement in child's file -Indoor play area materials and equipment -Staff member records include</p> <p>While on site the Quality Assurance Monitor observed children learning about the calendar with the educator. The educator would ask children what day we are today, what day was yesterday and what day is tomorrow. The educator also asked children about the weather, asking if it was sunny or cloudy, asking if when they went outside this morning if it was warm, cool, or cold. The educator then proceeded to pointing out different objects in the classroom and asking children the shape and color of the object, even asking children the reason why a certain object is certain shape. The quality Assurance Monitor also observed positive interaction between educators and children.</p>
