Order for Compliance	Regulation	Date to be corrected	Date corrected
10(1) The number of educators that are required for a group of children of mixed ages receiving services at a full-time or part-time early learning and childcare centre is calculated as follows: (a) by multiplying the number of children of the same age by the corresponding factor set out in Schedule A; and (b) by adding the results obtained under paragraph (a).	10(1)	Feb 16, 2024	Feb 16, 2024
Comments: During the renewal inspection, Inspector observed a preschool child left unattended twice for approximately 30 seconds while a staff member went to open the door. Preschool children must be supervised at all times. A conversation was had with the Operator regarding this, who immediately put a plan in place in order to ensure that all children are supervised at all times. Deficiency is now compliant			
30(1) A full-time or part-time early learning and childcare centre shall have an indoor play area of at least 3.25 m ² for each child receiving services at the centre.	30(1)	Feb 16, 2024	Feb 16, 2024
Comments: There are 6 children in a room that only permits 5 children. This was addressed with the Operator who made required changes immediately in order to ensure that each child has 3.25m ² of indoor play space. Deficiency is now compliant			
30(3) An operator shall maintain the indoor play area of a licensed facility to ensure the safety of the children.	30(3)	Feb 23, 2024	
Comments: A rug in the upstairs hallway is not properly secured to the floor, causing this to be a tripping hazard. Operator must ensure that the rug is secure or that it is removed, in order to ensure that safety of the children when walking in the hallway. A drawer is broken on a grey storage bin in a preschool classroom. Operator must ensure that this is repaired or removed in order to ensure the safety of the children.			

General Comments
<p>During the Renewal Inspection, a child fell outdoors. Operator filled out an incident log in order to ensure that this information is documented. Operator must ensure that parent signs the incident log when picking up the child to confirm their awareness of the situation.</p> <p>The mat used for diaper changes is starting to show signs of wear and tear. Operator must ensure that this is replaced as needed.</p>

General Comments

A discussion was had between the Inspector and the Operator about the licensing Regulation with regards to outdoor play. Inspector observed that each group played outside for at least one hour in every four hour period.

The license cannot be renewed until Operator provides Inspector with a copy of the new insurance policy that demonstrates general liability coverage as well as the motor vehicle insurance.
