| General Comments | | | | | |
| Visit to facility for a monitoring inspection. Ratio was respect during the visit. Medications are locked and inaccessible to children, administration of medications records are evident. Observe that educator is really engaged with children in activities. Children's files have all the required documents. activities purposefully planned and materials are set out according to the children's interest. Observation: During the visit, children were having snack and sliding outside. | | | | | |
