<p>General Comments</p> <ul style="list-style-type: none"> <li>-Visit to the learning center for an unannounced monitoring inspection</li> <li>-Ratio was respected during the visit</li> <li>-Posted in a visible and prominent place in the facility is: The license and inspection report, daily routine, weekly menu, evacuation procedures, name of administrator, name and telephone number of QA Monitor and inspector, life-threatening allergies, a notice to inform parents of the existence of a communicable disease.</li> <li>-Daily activities into the center shows purposely planned and documented programming that gives children: Time and space for a free choice of play experiences, indoor and outdoor opportunities for physical activity either individually or in a group. Children have opportunities for various forms of literacy and to express creativity and interests, to explore the arts and sciences and to experience accomplishment and success. Opportunities to problem solve and to develop trusting, respectful and supportive relationships are also provided.</li> <li>-An inclusive environment is provided for all children</li> <li>-The children's guidance is done in a positive and respectful way.</li> <li>-Outdoor play occurs for at least one hour in each four-hour block of time when most children receiving services are in attendance - weather permitting.</li> </ul> <p>Observations: When arriving at the center, children wash their hands and get the table ready for snacks. The operator provides them a mix of vegetables and fruits for snacks. They all sat at the table and talked about their day and shared on different topics they then got ready to go play outside and were planning on melting snow and see what's in it.</p>
