<b>General Comments</b>
Monitoring inspection performed. Please update my phone number 506-429-2028 Children were involved in fun educational activities during my visit. Children were building with lego, coloring pictures using markers, and they also created some beautiful painting of owls this morning and tie dye coffee filters. The Operator also has another painting activity where children can paint jellyfish on cedar wood. There is a small group of children attending during the week of March Break. The children also made chocolate chip cookies during my visit and waited for them to bake and cool. The cookies were a hit. The children decided to ice the cookies and add sprinkles. Really different chocolate chip cookies. Everyone enjoyed. They are also going outside as they didnot go to the park this morning. All children playing cooperatively and staff also were observed engaged with the children.
