General Comments
<p>Children were observed arriving with the educators about the time I arrived.</p> <p>Children removed their wet jackets and hung them up and commenced with afternoon activities.</p> <p>Administrative records were reviewed during my visit - attendance, fire drills, outdoor checklist are documented, and licensing staff also checked staff information. Please read comment above. I emailed a copy of the SD check form. The afterschool program just started again in September so ensure you complete a fire drill before the end of September with all children, so the new children are familiar with the drill.</p> <p>The children were observed playing with Lego, coloring a butterfly with markers, cutting out different designs with scissors.</p> <p>All children were reminded to wash hands before sitting down to eat snack. The operator celebrates children's birthdays and today all children had a choice of treat - frozen fudge bars, ice cream sandwiched, a frozen soy bar or popsicles.</p>
