Address 101 George Street Fredericton NB E3B 1J2			
Name of Early Learning and Childcare Licensing Staff Laura Casey		Position Title Inspector	
Order for Compliance	Regulation	Date to be corrected	Date corrected

General Comments

Upon Licensing staff arrival, the Operator and Educators arrived after meeting the first group of children at school.

Once indoors, personal belongings were organized, and hand washing was observed. The children gathered together at the table for the Summer Birthday Celebration. The Operator offered the children their choice of ice cream with cake and options were also available for those with dietary restrictions. The indoor space was inviting and organized. Play material such as board games, Lego, art supplies and books were in good condition. A calming corner has been added to the main space with soft cushions, sensory toys, and calming images.

After snack, the children cleaned up their space and went outdoors to play. The outdoor play space is fully fenced with plenty of natural shade. There was a large wooden playhouse, a sandbox with trucks, outdoor games, blocks and an art station. Water bottles and first aid kits were taken outdoors, and Educators were actively engaged in conversation with the children.

During inspection, child and staff files were verified and all required documentation was present. Monthly fire drills and playground maintenance checks are being completed as well as daily attendance records. Allergy information sheets are posted in the kitchen and main entryway on the parent board. As a reminder, please ensure the EpiPens are easily accessible in case of an emergency.

Licensing staff recommends for renewal.
