General Comments
Monitoring Inspection:
Children engaged in outdoor play this morning.
Many positive interactions were observed between the children and educators during transition times, story time and at lunch.
The indoor environments are set up with a variety of interesting materials in each interest centre. Books and materials are displayed in way that allows the children an opportunity for free choice and invites the children explore and engage in play.
Documentation is posted throughout each environment that highlights each child's interests and learning. A wide variety off types of documentation is being done by educators. Great work!
Ensure Group Log includes date established, staff confirmation and date.

General Comments

Next steps:

Connecting documentation to the values of the NB Curriculum Framework.

Adding more variety in open ended art materials (example: loose parts, collage materials, etc).
