11 The qualifications and training requirements for administrators and educators are as follows: (a) an administrator and educators must hold a valid first aid certificate and a valid cardiopulmonary resuscitation certificate;	11(a)	Nov 03, 2021	
Comments: New staff member on site during today's inspection. Staff file was reviewed. Staff member has reportedly completed CPR/First Aid training, however, no proof in file. When staff complete course but are not provided with certificate prior to starting work, an email or documentation from the agency stating that this has been completed must be added to file. (Previous comply by dates of July16/21, August 31/21 and October 4/21).			
21 The daily activities of a licensed facility shall be purposely planned in advance and documented and shall respond to the capabilities, needs and interests of each child.	21	Nov 03, 2021	
Comments: Middle's side: Additional materials and equipment (fort building materials, etc.) need to be added to support the children's interests. Children were observed to be still interested in fort building, but were using an area rug to design this. What other materials could be added to support this interest? How could you set up an invitation to support this? (Previous comply by date of October 4, 2021).			
24(1) For the purposes of subsection 20(1) of the Act, the following records and documents shall be maintained on the premises of a licensed facility: (b) child records that include: (vii) documentary evidence of the child's learning.	24(1)(b)(vii)	Nov 03, 2021	
Comments: Middles side: The children were observed to be engaged in their environment today, however, the documentation demonstrating the children's learning was limited to some creative art pieces. More documentation (ex: models, projects, photos, etc.) of the children's learning is required. Previous comply by date of October 4, 2021).			
28(2) An operator of a licensed facility shall carry out emergency evacuation and fire drills monthly.	28(2)	Oct 04, 2021	Oct 28, 2021
Comments: Deficiency is now compliant			
39(2) A licensed facility shall have a separate locked storage space that is inaccessible to the children for each of the following: (b) medications.	39(2)(b)	Oct 28, 2021	
Comments: Unable to confirm that medication is being locked up upon child's arrival to afterschool program as child was not present during today's inspection.
