Order for Compliance	Regulation	Date to be corrected	Date corrected
24(1) For the purposes of subsection 20(1) of the Act, the following records and documents shall be maintained on the premises of a licensed facility: (c) staff member records that include (iii) a description of the staff member's duties and responsibilities. Comments: Missing this documentation for two new staff	24(1)(c)(iii)	Aug 23, 2019	
24(1) For the purposes of subsection 20(1) of the Act, the following records and documents shall be maintained on the premises of a licensed facility: (c) staff member records that include (iv) a signed declaration confirming that the staff member has read and understood his or her obligations under the Act and this Regulation. Comments: Missing this documentation for two new staff	24(1)(c)(iv)	Aug 23, 2019	
39(2) A licensed facility shall have a separate locked storage space that is inaccessible to the children for each of the following: (a) toxic products, chemical products and cleaning supplies; Comments: The safety child device that is under the sink in the kitchen is not considered inaccessible to the children. Please put a lock on the cupboard or move toxic products to another location.	39(2)(a)	Aug 21, 2019	

<p>General Comments</p> <p>Please be advised that the safety gadget that is used on fridge is not considered a lock when storage is required for medication that needs to be put in the fridge. There was no medication stored in fridge at time of visit. It is recommended that a locked box with a key be used when storing medication.</p> <p>Ensure that files for staff are present on site when a staff has transferred from your other centre.</p> <p>Children were outside having a picnic snack at time of arrival. Snack consisted of fruit, veggies and dip.</p> <p>Staff engage in conversation with children. Only positive guidance seen at time of visit.</p>
