General Comments
<p>The facility is clean, bright and organized with numerous activities set up for the children to participate in.</p> <p>The children were engaged in a wide variety of activities during my visit such as hockey, bracelet making, barbie doll house, lego, and model clay. Some children were enjoying some down time, quietly chatting in the corner of the room.</p> <p>Children appear to be comfortable in the space. Educators interact well with the children and participated in the various activities.</p> <p>The center seemed to be running smoothly during the visit.</p>
