General Comments <ul style="list-style-type: none"> - Visit done at the center today for a follow-up on monitoring inspection. - Ratio was respected during the visit. - Public health guidelines for the recovery of COVID pandemics are being followed by the facility. - Addition to each zone created a more inviting and engaging environment for the children and provide a variety of opportunities for creative play and learning. - Cleaning product is under key and lock. - During my visit kids are having their snack afterward they read a story, sang and did creative play. - Educator facilitates children's learning by engaging in play and asking open-end questions.
