General Comments
<p>Visit to facility to complete outdoor park inspection with quality assurance mentor Rachelle Roy Arseneau.</p> <p>Ratio was respected during visit. Preschool children were outside playing and school aged children were inside.</p> <p>Discussed with educators the wooden play structure in the outdoor area. We recommended that the manufacturers instructions be reviewed to ensure the structure is installed according to regulations. At this time the play structure is close to the facility, pictures were taken for further consultation. A follow up will be made with the director/operator to put a plan in place.</p>
