<p>General Comments</p> <ul style="list-style-type: none"> -Afternoon visit to learning center for an unexpected monitoring inspection -Ratio was respected during the visit -Children's guidance is done in a respectful and positive way -Daily routine into the center includes; Outdoor play time at least once every 4 hour, when the weather is permitting. Meal and snacks are served at the recognized hours and a daily rest period that meets the children's needs. -Staff files contain all required documents. -Toxic products, and cleaning supplies are locked and inaccessible to children -Medications are locked and inaccessible to children, administration of medication records is evident. -Non-prescribed medications are in the original child safe container and labeled with the child's name and dosage -The parent is being asked to notify the operator/director the reason why the child is absent, whether it's sickness or another reason -When a child who becomes ill, he/she is supervised and separated from the other children. That child is to be picked up within one hour of notification to parents. -Management of potential illness forms are completed as required, discussion with the operator on appendix 11 & 12 in the operator's manual. -Parents are advised when a child has a communicable disease or illness, center does use the notice of illness form (appendix 13, in operator's manual) -We also talk about the appendix 14-Managing illness in ELC facilities- parent's/guardian's role, administrator will look into the parent handbook to see if all information is in it and will address it with operator <p>Observations: When arriving at the center part of the children were napping while some of them were having a quiet time, preschoolers slowly woke up and went into free play. One educator went to get the afterschool kids at the bus stop when arriving at the center the transitioned to free play.</p>
