Comments:			

<p>General Comments</p> <ul style="list-style-type: none"> -Morning visit to the establishment for an unexpected monitoring inspection -Ratio was respected during the visit -Appendix 21 – Staff handbook template was revised, and a copy was given to the administrator inviting her to make sure that the staffing plan has all relevant and required information's -A first-aid kit and a phone are always accessible on site and on outings -The "bear cave" in the outdoor play space needs some fixing, nails are exposed. It was closed to children during the visit, and it will be fixed. A picture will be sent once the bear cave is repaired. -During the visit, no hot beverage was found in the children's indoor and outdoor play area -Outdoor play area has at least 10% shade -Outdoor play area consists of more than one surface to permit different types of play -Outdoor material is varied and in sufficient quantity for all children present -All children have an easily accessible space to store their personal belongings, which is identified with their name and only use for the intended child -Orientation of children is done in a respectful and positive way -Drinking water is available for children throughout the day -Food brought from home is labeled with the child's name, each lunch box has an ice pack and/or is stored in a refrigerator -Food allergies are displayed in the eating area. <p>Observations: When arriving at the center children were having their snack, once they were done they went outside to play.</p>
