Order for Compliance	Regulation	Date to be corrected	Date corrected
24(1) For the purposes of subsection 20(1) of the Act, the following records and documents shall be maintained on the premises of a licensed facility: (l) management of potential illness forms provided by the Minister.	24(1)(l)	Jan 09, 2025	Jan 02, 2025
Comments: The inspector is made aware that children had to leave the facility with a potential illness. However, the management of potential illness forms were not completed. Educators told the inspector that they thought it was only if a medication was administered. On site, administrator printed copies to get them ready and discussed with the staff regarding the form. Deficiency is now compliant			
39(3) Despite paragraph (2)(b), medications administered in cases of anaphylactic shock shall not be stored in a locked space.	39(3)	Jan 02, 2025	Jan 02, 2025
Comments: The inspector observed 2 EpiPen stored in a locked box. The administrator must ensure that medication used for anaphylactic shock is stored out of reach of children but not locked. On site, an administrator put the EpiPens inside a cabinet. Deficiency is now compliant			
45(3) If a child has or may be affected by a disease that is required to be reported under the Public Health Act and the regulations under that Act by the operator of a licensed facility, the operator shall (a) complete the forms provided by the Minister.	45(3)(a)	Jan 09, 2025	Jan 02, 2025
Comments: The inspector is made aware that children had to leave the facility with a potential illness. However, the management of potential illness forms were not completed. Educators told the inspector that they thought it was only if a medication was administered. On site, administrator printed copies to get them ready and discussed with the staff regarding the form. Deficiency is now compliant
