General Comments
<p>On the day of my visit the center was having a Halloween in July party. The children were dressed up in costumes and there were Halloween painting activities to do and music playing.</p> <p>One educator was taking pictures of the activities for future learning stories and documentation.</p> <p>The educators are very engaged with the children, giving them all individual attention and positive guidance when needed.</p> <p>Snack is supplied by the center. The snack of the day was tomato soup, grilled cheese sandwiches, strawberries, bananas and honeydew melon with milk to drink .</p> <p>After snack the children had some quiet time of stories and puzzles while they waited rest of the children finished eating. When everyone was finished it was time for outdoor play time until leaving at 11:30</p>
