General Comments

Children were coming in for lunch from outdoor playtime when licensing staff arrived.
Proper hygiene procedures were observed by children, washing their hands and sitting at the table for lunch.
Educators were observed sitting at the tables talking with the children as they ate.
Once lunch was over the younger children got ready for nap time while the older children had some quiet play time of playing barbies, drawing, marking, and playing with lego.
Children seem familiar with the daily routine of the facility.
Positive child interactions were observed during the visit.
