General Comments
<p>The children were in the outdoor space when I arrived. Umbrellas were set up in various spots in the outdoor play space to provide shade for the children. There was also shade from the trees and building. Aw of the afterschool children were playing soccer while others were sitting on the steps in the shade.</p> <p>The preschool children were engaged in a variety of activities such as driving the tricycle around, water play, looking for bugs and sitting in the lawn chairs under the umbrellas.</p> <p>Due to the hot day the children came in early and had some free play activities before lunchtime. The children were observed coloring, drawing, playing a mine craft game, dressing up with the dramatic play costumes, building with wooden blocks and playing with cars.</p> <p>Children's files were reviewed during the visit. The files were up to date and contained the required documents. The educators were engaged with children, playing with them and asking questions about their night and family, and sitting with them during lunch time.</p> <p>The centre was running smoothly during the visit. The children seem comfortable in the environment and familiar with the daily routine.</p>
