### General Comments

The operator provides a well planned and organized program. There are a variety of materials and activities for the children. The operator demonstrated an abundance of positive child guidance during my visit, and was actively engaged in activities with children. There seems to be a good balance between free play and planned activities and the operator easily recognized, and built upon, teachable moments during my visit. The children appeared to have lots of fun.

Everything was in compliance on the day of my visit, and I recommend for licencing.
