General Comments
On the day of my visit I was properly screened upon entry. The children were engaging in "zany creativity" which is this week's theme. Today they had a dance party and their snack on a blanket as a picnic. Yesterday the children invented a bowling game for points that the Operator documented and sent pictures of to the parents at home. There are lots of materials and the children were engaged in a variety of activities and especially enjoyed spontaneous imaginative play such as ring a round the rosie and nap time for the baby. Summer camps are going really well and everyone is enjoying the program a lot.
