<p>General Comments</p> <p>A Monitoring Inspection occurred on January 22, 2025.</p> <p>Educators shared that the children are particularly interested in painting with ice cubes, enjoying outdoor sledding, and incorporating elements of the natural world into their play. During observations, educators used positive language and provided gentle reminders, fostering a supportive and nurturing environment.</p> <p>Licensing and compliance information, including the license, current inspection report, monitoring reports, and any orders for compliance, are displayed prominently in a visible location. Books reflecting the children's current interests have been carefully selected, supporting engagement and literacy development. The learning and play areas are well-defined, and children's artwork is proudly displayed throughout the facility, celebrating their creativity.</p> <p>High standards of cleanliness are maintained in traffic areas, and outdoor walkways are clear and free of clutter. Toxic products, such as cleaners, are securely locked and inaccessible to children. The diaper changing area is located within a meter of a sink, with diaper changing procedures clearly posted for staff reference.</p> <p>Daily activities are thoughtfully planned and documented in the program. Opportunities for both individual and group experiences are integrated, fostering a balanced and inclusive approach.</p>
