General Comments

On the day of my visit the centre was functioning very well. The staff were very kind and patient with the children. I was properly screened upon entry and all Covid-19 protocols are being followed correctly. The centre is very clean and organized. Hilary is administrating both centres while Brenda is out on a leave.

The number of children is reduced due to bubbling for Covid and many parents are still working from home. All the afterschool children are at the Kidz Klub licence for now except they are here for morning bus pick up, during this time they maintain their own bubble.

The 4 year old classrooms looked great and their programming was very responsive to the children's interests.
