<p>General Comments</p> <p>Purpose of visit was to complete annual renewal inspection. Children were in the outdoor play space when licensing staff arrived, children were participating in several activities and staff were engaged with children. Children had their water bottles available to them while playing outside. Administrator showed licensing staff the outdoor classroom which is currently under construction. Centre will need to consult with Public Health in regard to the use of a rain barrel in this activity area.</p> <p>The indoor play space was clean, bright and well organized. There was a variety of developmentally appropriate materials available at the children's level for their independent selection and use.</p> <p>Parent board had all required documentation. Quality Assurance Monitor information may be updated.</p> <p>All files were up to date and contained all required documentation.</p> <p>Licensing staff observed transition from outdoor play to bathroom routine, lunch and quiet time. Positive behaviour guidance was observed at all times and educators had pleasant conversations and interactions with children while modeling appropriate behaviours.</p> <p>Centre can be recommended for licensing.</p>
