General Comments
Downstairs/ Preschool: Children and educators engaged in play and learning. The learning environment is so inviting and organized! The block area has a wonderful variety of materials to encourage play. Many open ended art pieces are displayed around the room. The art area has a variety of materials accessible to the children to create with. Documentation is neatly displayed for parents and children to enjoy.
Upstairs/ Two-Five Year Olds: Children and educators engaged in singing, stories and playdough play. Many meaningful conversations were observed between children and educators. Each table was set up with a variety of materials to encourage play and interactions. Hand washing is done very well and frequently; it is very clear that it is part of the daily routine. Diaper changing procedures are followed by the educators.
