Comments: Deficiency is now compliant			

General Comments
<p>A follow up inspection occurred today. There are two orders for compliance that are still outstanding. It is the expectation that orders for compliance are completed by their comply by date.</p> <p>During follow up inspection, it was also noted the doors to be cabinet under the sink and change table downstairs were broken. These were added to the follow up inspection report.</p> <p>An additional visit to the centre will occur to ensure compliance.</p> <p>The surfacing under the stationary equipment in the fenced in play yard will be followed up by the Quality Assurance Monitor in the spring to ensure sufficient surfacing is installed.</p> <p>"Creative art materials are to be available and accessible to the children. Placing them in clear, covered containers on the shelf for the children to access at any time. Some items such as google eyes and small pompoms can be added to these containers as well. Children can use these under direct supervision by an Educator" (Taken from renewal inspection conducted on December 12, 2023.)</p>
