<p>General Comments</p> <p>Monitoring Inspection:</p> <p>Children and educators observed engaged in a variety of activities this morning including morning meeting, art, outdoor play, stories, dramatic play and fine motor activities. The children in the Fours Room were observed stringing cereal on pipe cleaners to create rainbows. The children in the Two/Threes Room were observed exploring the invitations set out by their educators; one child was exploring watercolour paints at the easel, and a small group of children were making and serving each other food in the dramatic play area.</p> <p>Purposeful planning is evident through documentation, invitations and materials added to the environments that support the children's current interests (kittens and puppies, babies, food/cooking and animals).</p> <p>Handwashing routines were observed during washroom routines. Monthly fire drills are documented. Daily attendance records are accurate and reflect all children present. Child-to-staff ratio was observed to be met during Monitoring Inspection. New staff file (2) review was completed; all required documents are in place. Facility is currently meeting the 50% trained Early Childhood Educators (2/4) requirement.</p>
