Address 688 Prospect Street Fredericton NB E3B6G9			
Name of Early Learning and Childcare Licensing Staff Joanne Voyer Page		Position Title Quality Assurance Monitor	
Order for Compliance	Regulation	Date to be corrected	Date corrected

<p>General Comments</p> <p>Monitoring visit performed. No compliances noted.</p> <p>Upon arrival, 3 staff and all school age children were outside behind the building where the gym courts are located. Today, the staff have organized a Road Hockey Tournament and groups of school age children were taking turns playing 10 minute games. All safety protocols were in place and children were wearing helmets, and the goalies were also wearing knee pads. Staff were supervising and playing the role of referee. All children had access to their water bottles. The staff advised that children are reminded to drink water and to apply sunscreen throughout the day.</p> <p>Today's plan was to go indoors to eat snack and continue with the Hockey Tournament in the AM or another game they enjoy is Manhunt. The staff listen and take the children's lead. If the weather is cooperative after lunch and the kids are keen, they plan to drive to Killarney Lake to go swimming, a hike or another planned activity. Killarney Lake have lifeguards on duty.</p> <p>Appropriate child guidance was observed - staff assist some of the younger school age with putting on and removing helmets, and providing a rotational game schedule, gives children an opportunity to cool down and hydrate.</p> <p>As per discussed with the Administrator, with all the rain last evening, I recommended that holes be drilled in the tires to drain water, as this can be a magnet for mosquitoes. She advised they are in the process of drilling holes. I might add, there are several tires on site and to be used for active play opportunities and for strength training.</p>
