General Comments
<p>Children arriving as licensing staff arrived. This facility has a van so they pick children up from school. Always more than enough staff on site to address child staff ratio which increases the quality of the programming offered. This is an after-school program which offers active play opportunities.</p> <p>This is a busy program and staff ensure children have lots of activities to participate in. Today children arrived washed hands, and outdoors to play ball tennis - a game the children made up. They also enjoy building forts in the woods. Another couple of children also enjoyed some quiet time under the gazebo.</p> <p>There is an outdoor gym as well as a gazebo and wooded area on site.</p> <p>Administrative records were reviewed - attendance is tracked, incident reports are documented, a fire drill practiced in September, and cleaning schedule documented. Staff information was also reviewed during this visit. All in order.</p>
