24(1) For the purposes of subsection 20(1) of the Act, the following records and documents shall be maintained on the premises of a licensed facility: (g) attendance records of staff members.	24(1)(g)	Mar 13, 2024	Mar 13, 2024
Comments: Deficiency is now compliant. This was corrected during the inspection visit. Just a reminder to staff to be documenting arrivals and departures.			
28(3) The premises of a licensed facility shall comply with (a) lighting, ventilation and other general health standards under the Public Health Act.	28(3)(a)	Mar 13, 2024	Mar 13, 2024
Comments: Deficiency is now compliant. As per discussed with the administrator, upon arrival some children were observed eating lunch while sitting on the floor. For sanitary reasons, licensing staff recommends that all children sit to eat their lunch at the tables provided. The administrator also stated she will ensure more tables and benches are available to accommodate the number of children on site going forward..			

<p><b>General Comments</b></p> <p>Upon licensing staff arrival, one staff on site with the first group of students that had been picked up at school and dropped off at the Afterschool program. Ratio was being met. From previous visits, this facility always has more than enough staff to meet staff: child ratios. Once the next group arrived another staff was there to meet ratio. Children are familiar with the routine, and gentle reminders were given to put their personal belongings away in their cubbies, collect their lunch bag, wash hands and walk to the lunchroom. Staff assisted children with heating lunches in the microwave.</p> <p>Administrative records were reviewed and all in order - children's attendance is tracked and fire drills are being performed monthly and recorded. New staff information was also reviewed.</p> <p>Children are permitted screen time during lunch hour; however, this centre only permits this activity on Wednesdays. After lunch these devices are returned to children's backpacks.</p> <p>This centre offers a very active inclusive program for all. Bravo - love the logo on your front door!! After lunch children were observed coloring, playing golf and uno card games. Children were observed playing cooperatively and getting ready for outdoor play. On half day Wednesdays, allows the educators to plan more outdoor play opportunities - baseball, hockey, tag. There is also a pergola and picnic table for quieter activities. Beautiful day to be outdoors.</p>
