There is documentation on the walls as evidence of the children's activities and learning: Crystal experiments, making lava lamps, 100 hours of outdoor play. The children in this group were outside during the inspection of their learning environment and invitations for learning were set up for their arrival back into their room.</p> <p>The school-age environments downstairs were set up with a variety of Dramatic Play areas: Pet Store, Ice Cream Parlor and Camping/Tenting. Children's art creations are displayed on the walls for the children to revisit.</p> <p>Discussions regarding changes to the outside play area and concerns of vandalism were had with the administrator. Outside play area will have work to upgrade the area over the summer months.</p>
