General Comments

A Monitoring Inspection was completed this morning. Children were observed during drop off and during play. Children were observed hanging up their belongings and washing their hands at arrival. Children were observed in a variety of activities - painting, play doh, polar bear sensory bin, dinky cars, barbies, and arts & crafts. Several of the children were observed in the arts and crafts area, drawing, painting, gluing, etc. Children were observed showing their artwork to their educators and educators were observed asking questions and providing praise. Several well-defined learning / play areas were observed - arts & crafts, building, reading, dramatic play, etc. Several forms of positive child guidance techniques were observed throughout today's visit - educators talking to the children at their level, educators offering choices, educators giving gentle reminders, and educators offering appropriate supervision.
