General Comments
<p>A Monitoring Inspection occurred in the afternoon on February 3, 2026.</p> <p>The children were observed engaging in a variety of activities across both indoor and outdoor environments, including the transition from the school bus into the facility and then outdoors.</p> <p>Indoors, the children were observed building with LEGO, using playdough with cookie cutters, painting, playing with cars, drawing at the table, exploring rice and macaroni tuff tray invitations, and engaging in dramatic play within a pizza shop setup.</p> <p>Outdoors, children were observed sliding down the snow hill, building with sticks, swinging on the swings, and digging in the snow using metal spoons and buckets.</p> <p>All classrooms were thoughtfully arranged with materials that invited children to engage in play. Several forms of documentation were visible, including learning stories, children's print, and photographs.</p> <p>A clearly visible and prominent area was designated for posting the facility license, current monitoring reports, and any orders for compliance. Additional documents observed included incident logs, daily attendance records, and monthly emergency evacuation and fire drills.</p>
