### General Comments

On the day of my visit I was properly screened and all Covid protocols are being followed. The children were having free play indoors as it was quite cold outside. They will have outside play when it warms up. It is March Break and tomorrow the children will go sledding at Royal Rd.

They are still serving snacks and today they are providing lunch for the children. Molly will update her postings and staff files and generally clean and organize the entryway even though parents are still not entering the center at this point.
