<p><b>General Comments</b></p> <p>The center is clean and has a variety of materials for the children. The staff were actively involved with the children and demonstrated many positive guidance techniques. The children appeared to be very engaged in several activities, and there was a balance of free play and structured activities.</p> <p>Please post the name and contact information of the Early Learning and Childcare Inspector; Mary Ramsay-Irving, 506-453-5363, mary.ramsay-irving@gnb.ca.</p> <p>It is evident that there is a lot of planning involved in the program, and I also recommend moving more towards an emergent curriculum and documentation, which aligns with the NB Curriculum.</p>
