<p><b>General Comments</b></p> <p>On the day of my visit the classrooms looked great. The children were playing games to help them get to know each other and learning about each other. The programming is posted and the staff keep their planning on the computer and are given planning time to prepare.</p> <p>Some of the children are full-time and they use the 3's room and Room A as the full-time classrooms in the afternoon.</p> <p>The staff files are up to date and the bathrooms are greatly improved with the newest renovations.</p>
