General Comments
<p>This is my first visit to this centre. I was given a warm welcome and an introduction to the children and staff.</p> <p>The rooms were running very smoothly and children participated in a variety of group activities. The centre is preparing for a field trip this week to pick apples so programming is about fall and apples.</p> <p>I observed children painting with fall colors, playing with playdough, listening to a story, eating snack, doing a mystery box with fall items, and using the parachute with leaves.</p> <p>All children had outdoor time during my visit.</p> <p>Educators were attentive to the children's needs and demonstrated a lot of respectful communication.</p> <p>Children were happy and well established in the morning routines.</p>
