<b>General Comments</b>
<p>The inspector observed the children playing freely inside and outside. Children were completing their Mother's Day craft and were engaged. Some children were playing the hair salon with the educators. One classroom is decorated with firetrucks.</p> <p>All eligible educators, as well as additional staff, have completed their professional development/learning hours. The inspector discussed with an educator that the certificate may be kept in their staff file or in a separate binder.</p> <p>Some changes must be made to the parent handbook and an updated copy must be sent to the inspector. The ratio is respected during the inspection.</p>
