Address 3400 134 Route Shediac Cape NB E4P 3J2		
Name of Early Learning and Childcare Licensing Staff Sarah MacDougall-LeBlanc		Position Title Inspector

Order for Compliance	Regulation	Date to be corrected	Date corrected
33(1) An operator of a licensed facility shall provide outdoor play area materials and equipment that are varied and in sufficient quantity for the number and ages of the children receiving services at the licensed facility.	33(1)	Mar 04, 2024	Mar 04, 2024
Comments: Inspector observed a lack of outdoor play material for the children while playing in their designated play area. There were 7 shovels and 2 snowball making tools. This was addressed with the educators. An educator immediately brought a variety/sufficient amount of outdoor play materials for the children to use. Deficiency is now compliant			
40(1) An operator of a licensed facility shall ensure that personal belongings of a child receiving services at the licensed facility that are brought to the licensed facility, including combs, brushes, toothbrushes, towels, washcloths, bedding, pacifiers and soothers, are (a) labelled with the name of the child.	40(1)(a)	Mar 04, 2024	Mar 04, 2024
Comments: Not all water bottled are labelled with the child's name. This was addressed with an educator, who verified all children water bottles and labelled them as needed. Deficiency is now compliant			
46(1) An operator of a licensed facility shall only administer medication to a child receiving services at the licensed facility in the following cases: (c) if the medication is not prescribed, the medication is (i) in the original container with the original label, (ii) in a container with child protective caps (iii) labelled with the child's name and the dosage.	46(1)(c)	Mar 04, 2024	Mar 04, 2024
Comments: A medication brought from home is not labelled with the child's name. The medication was labelled with the child's name during the inspection. Deficiency is now compliant			

<p><b>General Comments</b></p> <p>A conversation was had between the Inspector and the Administrator regarding a child's expired EpiPen. Administrator shares with the Inspector the current plan for this child and will reach out to the parent with regards to returning the EpiPen to them.</p> <p>Inspector and Administrator discussed the use of the stationary equipment during the winter. Administrator indicates that the children do use the stationary equipment on occasion and an ice pic is used to eliminate the ice around the equipment. Inspector shares concerns with Administrator regarding the use of the stationary equipment when there is a lack of protective surfacing. Inspector recommends that Administrator contact their</p>

General Comments

insurance company with regards to this.

Inspector observed that some nap mats are starting to show some wear and tear. Administrator must replace these as needed.

Ratio is respected during the time of the inspection.
