General Comments

The Quality Assurance Monitor is on site for a monitoring inspection.

The following elements were verified:

- Posted in a visible and prominent place in the facility
- Administrative records maintained on-site
- Personal belongings
- Health
- Safety

The Quality Assurance Monitor had a discussion with the educator in charge regarding shoreline visits. The educator in charge explained that these outings are limited to collecting shells, walks and building forts, and that the children do not access the ocean itself.

The Quality Assurance Monitor observed children playing in the outdoor area.

Ratio was respected at the time of the visit.
