Order for Compliance	Regulation	Date to be corrected	Date corrected
24(1) For the purposes of subsection 20(1) of the Act, the following records and documents shall be maintained on the premises of a licensed facility: (b) child records that include: (ii) the name, address and telephone number of the child's medical practitioner.	24(1)(b)(ii)	May 25, 2026	
Comments: The inspector observes in 1 out of 10 children's files the address of the medical practitioner is missing. All children's files must include the name, address and telephone number of medical practitioner.			
36(4) The rest area of a full-time early learning and childcare centre and an early learning and childcare home shall allow for a space of at least 46 cm between each crib, portable playpen, cot or nap mat.	36(4)	May 20, 2026	May 20, 2026
Comments: The inspector observes 3 beds right beside each other without any space between them. All rest equipment must have a space of 46 cm between them. The inspector had a discussion with the administrator who moved the beds to have 46 cm between them. Deficiency is now compliant.			

<p>General Comments</p> <p>The inspector is on site to conduct the renewal inspection.</p> <p>During the inspection, the inspector observed the morning outdoor play, the lunch period, and a grace song sung with the children before eating. The rest period is also observed, during which children who were not sleeping participated in quiet activities such as colouring and completing puzzles. Afternoon snack is also observed.</p> <p>The inspector observed that the children washed their hands after outdoor play and both before and after lunch and snacks.</p> <p>The inspector also observed a morning book-reading activity, during which children participated by making sounds related to the story and responding to questions asked by the educator.</p> <p>Additionally, the inspector observed the school-age children arriving from school. Positive child guidance practices are observed, including educators speaking softly to the children.</p> <p>The ratio is respected throughout the inspection.</p>
