General Comments
<p>Monitoring Inspection--COVID 19 Recovery Phase</p> <p>Discussed with educators in both school-age rooms the importance of ensuring that the daily group logs from on the COVID 19 Recovery Phase document are filled in each day and filled in correctly.</p> <p>Discussed adding materials and interest centres in the rooms. Gathering ideas from the children as to what they are interested in, webbing these ideas, and how they would like their learning environments to look like will help in setting up enriched inviting area for them to interact with their peers in.</p> <p>Children were observed in both inside and outside play during inspection.</p>
