<p>General Comments</p> <p>A monitoring inspection was conducted on the two rooms on this license. Children were not observed in inside play but were observed engaged in activities outside.</p> <p>Discussed with educators in the rooms to ensure that children who have not entered kindergarten but will be in September 2021 are still at the 0.1 ratio until the day they start Kindergarten. Then the ratio for these children changes to 0.067.</p> <p>The smaller school--age room has been designated for the older "pre-teen" children.</p>
