General Comments
<p>Completed follow up to renewal inspection today. Most orders for compliance have been corrected. Some outstanding orders remain. A baby gate has been added to the kitchen to ensure this remains inaccessible to children.</p> <p>Now that groupings have been combined due to the lifting of restrictions, old tape should be removed from the floors.</p> <p>Discussed the children's interests (Rubiks cubes/challenges/problem solving puzzles, etc.) with staff in the older school age group and how these interests could be expanded.</p>
