Comments: K-2 Room Grayish rug at the back of the room, in front of the window, is stained. To be cleaned / replaced. Shelf at back of room, with three artificial plants - top layer is peeling off. To be repaired / replaced. Table clothes - 2 have rips. To be replaced.			

General Comments A Monitoring Inspection was completed this afternoon. The K-2 children were observed. Handwashing procedures were observed at arrival. Children were observed putting on their sunscreen, before outside play. While outside, children were observed playing soccer, climbing on the monkey bars, swinging, and playing grounders. Positive child guidance techniques were observed - educators asking the children about their school day, educators using positive language when interacting with the children, and educators anticipating children's
--

General Comments

needs.

The K-2 and 3-5 indoor play areas were observed, while the children were playing outside. Both rooms had several well-defined learning / play areas. It is recommended that the book display, in the K-2 room be changed, making the books more accessible for the children. Several forms of documentation were observed in both rooms.
