Order for Compliance	Regulation	Date to be corrected	Date corrected
11 The qualifications and training requirements for administrators and educators are as follows: (a) an administrator and educators must hold a valid first aid certificate and a valid cardiopulmonary resuscitation certificate;	11(a)	Dec 31, 2024	
Comments: While verifying new staff member's files, an educator does not hold a valid first aid and CPR certificate. First aid and CPR courses must be from a recognized WorkSafeNB provider. The operator must ensure that administrators and educators hold a valid first aid and CPR certificate. A copy of the valid certificate can be sent to the Quality Assurance Monitor when the course is complete. The educator in question can't be left alone with children until the receipt of the certificate.			
39(2) A licensed facility shall have a separate locked storage space that is inaccessible to the children for each of the following: (b) medications.	39(2)(b)	Dec 03, 2024	Dec 03, 2024
Comments: The Quality Assurance Monitor observed 4 bottles of children's Tylenol stored under the sink in a classroom. Facility must have a separate locked storage space for medication. The educator immediately stored the medication in a locked storage space, inaccessible to children. Deficiency is now compliant
