<p>General Comments</p> <p>Monitoring inspection conducted. Ratio was respected during the visit. Quality Assurance Monitor was on site to observe child guidance. Positive child guidance was observed in each classroom. The educators use positive language when interacting with children.</p> <p>In one classroom, the educator spent one-on-one time with the children to make a Mother's Day craft. Positive interactions were observed. QA monitor was also able to observe an educator read books to the children. The educator was facilitating children's learning by asking open-end questions.</p> <p>QA monitor was also able to look into educators' programming. The daily program includes a variety of activities purposely planned according to the ages and development of the children.</p> <p>No non-compliance during this visit.</p>
